

# Direct debit

A simple, practical and secure payment method

Choose one of the two formulas for your income tax, local tax on household occupation and real property tax. All you need is a bank account in France.

TAXES

## Direct debit authorisation

To subscribe to direct debits on the payment due date and monthly instalments, complete and send the authorisation and form (see over) with your bank account details [to your tax office](#).

### → Direct debit on the payment due date

If you prefer to pay your taxes on each payment due date.

You are systematically informed of the date and amount of the direct debit.

#### INCOME TAX

Three direct debits: in February and May for the two payments on account, and in September for the balancing payment.

#### REAL PROPERTY TAX

One annual direct debit in October.

#### LOCAL TAX ON HOUSEHOLD OCCUPATION

One annual direct debit in November.

→ You benefit from a cash flow advantage since your account is debited ten days after the payment deadline.

### Save time !

Subscribe online to the direct debit on the payment due date and monthly instalments, on :

[www.impots.gouv.fr](http://www.impots.gouv.fr)

### → Monthly instalments

If you prefer to spread your tax payments over the year to manage your budget better.

Ten monthly instalments from January to October  
With the possibility of extending your instalments through to November and December if your tax increases.

Your account is debited on the 15th of each month.

If we are unable to debit your account due to insufficient funds, the direct debit is made the following month.

You no longer risk forgetting a payment and having to pay a 10% surcharge.

Should your tax increase or decrease, you may, during the year :

- change the amount of your direct debits
- or suspend your direct debits once you have paid the full amount due.

The French Public Treasury undertakes to reimburse you within eight working days in the event of any direct debit error on its part.
